Interview Consent Form

Project Name: City Guy

University: University of Bologna

Purpose

This interview is part of a university Human Computer Interaction project. The purpose is to understand people's experiences, needs, and behaviors related to urban life and public spaces.

Participation

Your participation is voluntary. During the interview, we will ask you questions about your experiences with urban spaces, public facilities, and related services. The interview is expected to take approximately 30-60 minutes.

Recording and Data Use

With your permission, the interview will be audio/video recorded to help us accurately analyze your responses. Notes may also be taken during the interview. The collected information will be used only for this university project and may be shared with our project team and course instructors.

Your Rights

You may choose not to answer any question, and you may stop the interview at any time.

Consent

By signing below, I confirm that:

- I understand the purpose of the interview.
- I voluntarily agree to participate.
- I agree to the interview being recorded for the purposes described above.
- I understand that I can stop participating at any time.
